AGES 3+

Tippy Toes **Tiny Tappers**

These dance classes are designed for those ready to start learning on their own! Our curriculum incorporates creative movement, fun learning songs, and energetic games and activities which will kick-start your little movers' success!

Tutus & Bowties **Taplets** **Kidlets** **Fairytale Ballet**

Early Childhood Classes incorporates ballet, jazz, hip hop and tap fundamentals, along with creative movement and singing, to introduce the joy of dance to our 3 and 4 year olds!

Dancers practice their gross motor skills, such as skipping and balancing on one foot, and learn basic classroom etiquette, such as taking turns and listening for instructions.

Ninja Acro is just the right class for children who love to go all around and upside down! By introducing basic skills from jazz, hip hop, acro, and creative movement, we guide these dancers through skills that are locomotor (sliding, galloping, leaping) and non-locomotor (stopping, stretching, rolling).
