Information Sheet

What is Forevermore Dance Ensemble?

The Forevermore Dance Ensemble is designed for students ages 4 - 18 who want to make dancing and performing a priority. It is a great opportunity to improve their dance technique and enhance their training, in addition to learning about teamwork and forming a community with peers. Forevermore Dance Ensemble performs throughout the year at community events and competitions. Competitions help dancers' continued growth, additional feedback, and to see what else is out in the dance world beyond our community. It is great preparation for their future. Ensemble has performed at such exciting venues as Disney World, Navy Pier, Brookfield Zoo, 6 Flags Great America, Shedd Aquarium, Youth Summit for the Arts, Shriner's Children's Hospital, and Neighborhood Festivals.
